Ralph Stopped with the ex

“I‘ll miss the sex,
but a graceless exit
necessary.” Present-

ly a woman in Winn-Dixie’s
bananas, winking so. But

he’s despairing of “yet
another stupid-ass road!”
She leaves before he could

act or not. Would
he convince docs

he’s certifiable? Live out
his days at Bide-a-Bit

watching *Survivor*
and farting?

Warms a bit at that while
checking peanut butters.
